Networking

CREW Northern Colorado is partnering with The Island at Pelican Lakes to bring you the 5th Annual Bocce Blast Tournament!

Not only will participants try their hand at one of the hottest recreational activities, they will be supporting a great cause. CREW Northern Colorado will be hosting a silent auction throughout the event; proceeds will support CREW's mission of advancing women in commercial real estate and will allow CREW Northern Colorado to continue to provide quality educational programs to their members and the commercial real estate community.

About Us

TRANSFORMING THE COMMERCIAL REAL ESTATE INDUSTRY BY
ADVANCING WOMEN GLOBALLY

Since 2006 CREW Northern Colorado has connected commercial real estate professionals in Larimer and Weld County with monthly networking events and powerful presentations. The chapter originally started with 10 members, and today we have over 75 members in various disciplines. Our CREW consists of those involved in the commercial real estate industry from land development, real estate law, brokerage, lending, title and escrow, insurance providers, property management, local government agencies and construction. CREW Northern Colorado may be a young chapter, but we are rapidly growing and building relationships along the Front Range!
