

CREW Network is a business networking organization that is transforming the commercial real estate industry by advancing women globally. Membership originates at the chapter level, which focuses on a geographic market. When you join CREW at the chapter level, you are automatically a member of CREW Network and have access to global benefits. From your chapter to other countries, CREW is one united organization.

Connect in your local market

Chapter Level Benefits:

- Create long-term business relationships
- Referrals and opportunities to do business with others in your market
- Increased visibility in your local market through member presence at events and in volunteer duties
- Regular occurring market-focused events including hard-hat tours, luncheons, special events, awards, etc.*
- Committee participation to build expertise in various areas, including development, recruitment, education, and communication
- Committee leadership to build executive skills
- Board of directors leadership opportunities
- Mentor and mentee experiences (select chapters)
- Career Outreach to introduce students to careers in commercial real estate (select chapters)

Connect across the world

Network Level Benefits:

- CREWbiz Online Community: daily digest of referrals and opportunities to connect across the world
- Member Directory: listing of all CREW members
- Impact Awards: apply for annual recognition
- Virtual Programming: year-round opportunities to learn from global voices
- CREW Councils:* small peer-group discussions based on specialty or asset class.
- Leadership Summit:* leadership development training offered 3 times a year
- Convention:* annual gathering of 1,400+ commercial real estate professionals
- Leadership Certificate:* annual cohort based leadership training
- Committee Service: serve with your unique skills
- Board Service: 10 members serve on the CREW Network board
